

Change the present form of the activities below to the future continuous form. Then look at the map below with a partner. Talk with your partner about plans for a future road trip. Write three sentences predicting what will be happening on that road trip using the future continuous tense.

V.A Learning English

present	take photos	drink coffee	go skiing	surf	dance
future continuous	will be taking photos				

I will be taking photos at the Statue of Liberty.

Answers for above

will be taking photos; will be drinking coffee; will be going skiing; will be surfing; will be dancing
